March 22. 1909.

Dear Mr Stradkey.

Could you kindly tell me what was the date of the great petition in favour of Women's Suffrage, and what were the numbers of signatures. It seems the Anti's are claiming that theirs is the biggest ever presented to the House of Commons, and as some of us will try and go to their Wednesday meeting I should be glad to have the exact

figures in case it comes up again on Wednesday.

Would it also be possible for you to give me some of the distinguished names of delegates coming for the International meet. I find that it is often stated that they are a gang of Anarchists and Socialists, and I should like to have some good names to bring forward to refute this.

Yours truly

Maria Chadwick.

P. S. Is it the case that the

Duchess of Sutherland is going to receive the International Delegates at Stafford House?
