Dear Mrs. Acres,

Thank you for your letter. If my name as a member is of any use to the League of the Church Militant, I shall be happy to join, but I am afraid that I cannot be of any practical use at all. For one thing, I am leaving for South Africa in a fortnight and shall be away for eight months, and for another, I am already connected with more causes than I can possibly help having regard to my constant theatre work. I am sure you will understand this.

Yours sincerely,

Sybil Thorndike

Mrs. W. Marston Acres.
