Dear Miss Dimock,

I am desired by my Committee to ask you to be so good as to ascertain from the National Union Executive Committee, whether there would, in their opinion be any objection to the questions asked to candidates for the coming General Election, being those which were agreed upon at the Special Council Meeting held on December the 6th, for the last General Election.

These questions differ in one particular from those decided upon at the Meeting on March the 19th for use at By-elections, i.e. the omission from question 1. of the words, "on the same terms as it is or may be granted to men."

Yours sincerely,

P. S.
