Dear Madam,  
Your letter referring to  
the Marie Tempest letter which I  
recently acquired has been passed  
on to me & I have pleasure in  
sending you a photocopy which  
I hope will serve your purpose.  
I am afraid it is not very  
clear because the original  
letter is written in rather pale

green ink!

I have no objection to you  
quoting from the letter at any  
time should you so desire.

yours faithfully,

Adam Dickson

Dear Mr. Dickson,

Thank you very much for sending the photocopy of the  
Marie Tempest letter, which will be most useful. Thank you  
too for the permission to quote from it.

If you are ever in London, I hope you will call in and  
see our manuscript library, which I think would interest you.

Yours sincerely,

Librarian
