Sir,  
I observe that you do  
me the honor of quoting  
my series in your publica-  
tion "Opinions of Leaders  
of Religious Thought"

As I have seen you  
are to change the  
opinion, I shall be

glad if you will  
withdraw my name  
from any future Edition  
no of the Sack Pamph  
let

Yours faithfully  
Alfred Harvey

My dear Messrs Davies

I am glad & obliged  
by your kind letter  
just received. - But  
I must say I am  
to my regret for the  
well drawn of my  
name, which you are  
so good as to promise

Of course, I cannot  
complain of any use  
which may have been  
made of it among others  
before this receipt  
has been received  
Yours truly  
Alfred Barry  
Mrs Davies
