Dear Mr Elphinstone,

I keep hearing
of you from time to time & I think
of you very often. Your letter would
prove a source of strength to Mr. Bright,
as very real evidence of the complete
infranchisement of all women as far
as Municipal & other local elections
are concerned. I think Mr. Woodall
deserves all he has got for his weakness
& I am extremely sorry that Miss
Balgarnie should pity him & depend
herself by begging anybody to assist

M.P.?

him. I have written to about 32
M.Ps asking them to oppose the House
sitting over 17th to discuss W. S. It is
hateful having this disagreeable work
forced on us, but there is no other
course open to us. With kindest
regards

Very sincerely yours

Agnes Sully.
