Manchester.

My dear Mary

In the Custom a Mr  
Gunn in America, an  
Engineer chose to send  
me the photographs of  
his little daughter whom  
he had named Charlotte  
and he sent a description  
of her arms, requesting  
to know whether

he could be of the same  
family. They were not  
the same as ours. I was  
as true to which we  
failed to show our claim  
but Julian thought  
they were the same  
as yours. I was,  
American as he  
is, he has written  
the long letter which

husband can gratify  
him with an answer  
tracing his Philip and  
Mary. I am sure  
he would victoriously  
claim you, if he  
knew that you had  
a Philip.

I hope you are  
quite well. The  
measles have started  
in the parish here  
most inappositely  
just before the
