Dear Mr. Bobden Union,

I give most careful  
consideration to your interesting  
letter, and you will see from  
my remarks I was concerned,  
and thinking merely of the  
Club giving the Government support  
as an advisory club.

You may depend on

my vote for the Political Committee  
+ anything I can do in the  
Committee - make Mr. Payer's  
dinner a success I will do.

V. Kurland
