My dear Mrs Fawcett  
I am pleased, you are  
exactly the right person.  
I hoped it wd come, when  
I heard the W.O. was  
going to send them out.  
You will also, I hope,  
keep a weather-eye open  
as to the opportunities for  
women out there, free  
ones, as well as those  
in camp! I wish

Zur in the fullest sense  
of the word, God speed  
(a safe return -

If there is anything I  
can do for Zur in <sup>his</sup>  
absence, I am <sup>at</sup> <sup>your</sup>  
command <sup>and</sup> <sup>affairs</sup>
