July 15th.

Dear Miss Strachey.

My Mother asks
me to answer your
letter. She will be
very pleased for you
to put her name
on your prospectus, or

use it in any way.

Both Maggie & I
remembered your lessons

well and we shall
feel inclined to join

your classes, only

I am afraid we

might be rather
too advanced in
years!

Please give my love
to Pippa. I much

hope to see her

before I leave town.

In a great hurry,

Believe me

Very sincerely yours

Amy. F. Beale
