and make no doubt but they will
 sell well. I hope I have not
 done wrong in sending the other
 by Madame Peyrot 'the thing'
 as it will be well seen this
 season and of course sold, but
 it wants varnishing sadly, I received
 it from Liverpool from Mr. Herbert.
 Please try to get Rosa Bonheur
 for next year also Madame
 Brown. We hope to get a gallery
 of our own next year and to
 exhibit during the months of
 March, April and May, so

much better for the sale of
 pictures. Trusting you will
 kindly send me an acknowledgment
 of the safe arrival of the
 cheque and thanking you for
 your politeness.

I am dear Sir
 Yours faithfully
 E. J. Murray

I enclose a card of a new
 undertaking ^{on} which Mr. Murray and
 myself enter on the 17th but if you
 can interest yourself for us I shall
 feel obliged —
