October 12th 1909

Dear Miss Phillips,

BERMONDSEY BYE-ELECTION.

I beg to inform you that at a meeting of the Executive Committee of the London Society held on the 9th of October the following resolutions were passed:-

"That the London Society undertake the work and financial responsibility of the bye-election in Bermondsey."

"That the National Union be requested to give the assistance of an organiser, if possible Miss Helen Fraser, to work for the time being under the direction of the London Society's Election Committee, and that the National Union be further requested to supply literature for use during the election."

My Committee will be much obliged if you will lay these proposals before the Executive Committee of the National Union at their first meeting.

I am,

Yours very truly,

P. S.
