Mrs Ramelston

Dear Miss Douie,

Enclosed is the item for the editorial  
In "Marxism Today" which I spoke to you about. I should be  
very pleased if you would check through it to ensure that  
no incorrect statement of fact has occurred. If you would  
be good enough to let me have it back as soon as possible,  
I will forward it to the Editorial Board in time for it  
to be published in the March issue. You will, of course,  
receive a copy of the magazine with the editorial note in  
it on publication. I have used the number of words which  
have been allocated to me.

Thank you very much for your help yesterday  
Unfortunately, I could find nothing further about Mrs Frank  
Morrison, an extraordinarily elusive person in view of the  
prominent part she played in financing the "Women's Penny Paper"  
and her treasurership. I would very much like to know about her,  
but she persistently remains a shadow with a name. However,  
I got very valuable material on interesting people.

Good wishes for your health and <sup>that of</sup> your  
family. If only the weather would cease being Arctic, we would  
all be able to face the world with a less jaudiced look.

Yours sincerely

*Marian Ramelston*
