My dear Mr Rawcett

I am glad to  
tell you that Philippe  
is keeping up her strength  
& spirits - She really seems  
very well & has slept well.  
Her great friend Therese  
Lawrence told me that  
she thought the 1 time day  
papers dull & got tired of  
them - Yesterday she  
seemed excited & she told  
Therese that they were

hard & interesting -  
She went on the queen  
yesterday evening with  
my niece, Dora Pease &  
Miss Alcock they made a  
good supper after their  
return of bread & milk  
& bread & butter -  
She keeps up her appetite -  
I do not ask her about  
her papers for fear of

worrying her -  
Would you like to come  
up on the 6<sup>th</sup> to be present  
at the Senate House when  
the list is read I should  
be delighted to see you &  
to give you a reason -  
Mr Hubson seems most  
interested. He has heard  
that Philippe has done  
well in the 1st Part -  
Friday afternoon  
Philippe came back  
this morning she was rather

disappointed she said she  
had done 3 Problems

stayed at 6 or 7 -

However, she went back in  
good spirits - The other  
student had not done  
any thing as for I could  
learn but make attempts.

We are having pleasant  
weather, which is a help -

Yours affectionately

Samuel Johnson
