Dear Mr. Simpson

I wonder if you will be so
kind as to get the enclosed negatives
made into slides for me by about
next Tuesday or Wednesday ~~next~~
I should be so much obliged if
you can as I cannot trust them
to the Kodak Co to do in time
Of course this is quite a business
matter outside the Geographical
Society. I am leaving for the
North about Nov 1st & want to take
the slides with me,

If you can see your way to
getting this done for me in

time you will be doing me a
great favor.

Yours truly

Mary Hall

P.S. I have sent 2 of the wall. but
I only want 1 slide made from
the one you think best. That
will be 1 doz in all.
