OFFICE OF THE MINISTER OF SOCIAL WELFARE,
WELLINGTON.

3rd February, 1950.

31st. March "

Dear Miss How-Martyn,

Thank you very much for your very pleasant message of congratulation. As you say, women are slowly attaining Parliamentary honours and we now, in our House, have only two women, but we hope to see a great many more women come into public life.

I hope at some time in the not too distant future to make your personal acquaintance.

I remain,

Yours sincerely,

Hilda Ross
