could you come to her Sat

after (5.11.07) 70, ALBERT HALL MANSIONS, S.W.

AL 354

If course you will have seen in the day's Times that the National Union of Conservative Ass. means to "urge on the women the danger of socialism to the Home Life of the Country" — Would it be possible for some suffragets to offer assistance in doing this. I suppose the Association would pay expenses — I would from bed where I am still recovering after influenza & tonsillitis. I don't mind what happened at Manchester.
